

PROJECT ACTION NOTES

Karen - Thank you for the opportunity to test J. Herbin ink. I really like the color.

GOLD FIBRE®

PROJECT PLANNING NOTES

- > Lamy Safari fine nib
- > Parker Vector broad nib (dipped)
- > Parker Vector fine nib

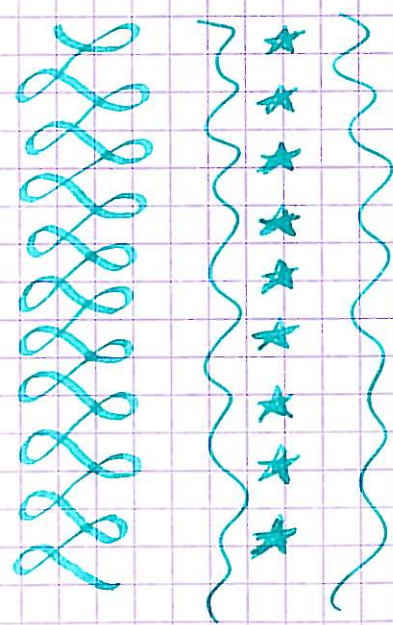

J. Herbin compares to a smooth-writing ink, such as Lamy or Noodlers. There is consistent coverage and no feathering on this "Gold Fibre" paper. However, there is bleed-through ~~at~~ <sup>with</sup> all three pens.

J. Herbin Vert Réséda ~

Lamy Safari fine nib

Parker Vector Italic nib (dipped)

Parker Vector fine nib

On this Rhodia paper there was no feathering and no bleed-through.
